CAMP BUSINESS HOURS

The Science Camp is open Monday to Friday from **9 am to 4 pm**.

Daycare services are available Monday to Friday from **7 am to 9 am** and from **4 pm to 6 pm**.

HOW TO CONTACT THE CAMP

All staff are responsible for facilitating and organizing activities and cannot answer the phone. Therefore, it is not possible to call the camp to speak to the staff during the day. For any emergency, call us at 514 931-7248.

ARRIVAL AND DEPARTURE

A parent must accompany their child to the activity leader in charge of **recording attendance**. Proof of registration may be requested, if necessary.

If, for some reason, a child must leave **before 4 pm**, the parent must **notify** the activity leader in charge of attendance in the morning. For an emergency, contact the Camp Coordinator at 514 931-7248.

Children must be brought in the morning and picked up in the evening by an authorized adult. On arrival and departure, a monitor at the reception desk will note the arrival and departure times and with which authorized adult the child was accompanied in the appropriate register.

We do not allow the parent to leave their child at or near the school entrance before or after regular camp hours.

In the event that a parent cannot come to pick up their child and the person who will come to pick up the child is not already included on the list of authorized persons, the parent or guardian must have downloaded, completed and printed the form and submitted it the same morning or previously.

A photo ID (MANDATORY) will then be required for such a person.

GST: 713076727 RT0001

The identification system for the departure of children makes it easier to manage and ensures their safety. It is therefore essential that you comply with it at all times.

For parents whose child is allowed to arrive and leave alone, please note that this procedure does not apply.

BIKES

All children riding to the camp on their bikes must have a lock and must lock them in the appropriate racks and area, as Profaqua is not responsible for theft. Wearing a helmet is recommended.

ABSENCES

Please notify the monitor either at the reception desk, or by email or phone, of any absences of your child. Your child's arrivals and departures will be recorded in the register for this purpose.

To notify us of your child's absence, please specify the parent's first and last name; the child's first and last name; and the date of the absence. You can contact us by phone at 514 931-7248 or email at: campscientifique2020@profaqua.ca.

In the event of an absence that is unjustified or without notification, we will contact the parents.

Your child's days of absence or illness are non-refundable.

TARDINESS

Any child who is not enrolled in daycare services must have left the camp by 4 pm, failing which the penalty policy below will apply. Children not registered in daycare services may leave between 4 pm and 6 pm at all times as long as an adult comes to pick them up. However, after 4 pm, for children not registered in daycare services, and after 6 pm, for those registered in daycare services, parents will be charged **\$5**

for each 5 minutes of delay. Additional fees will be charged to the parent for any delay of over 20 minutes.

DAYCARE SERVICES

Daycare services are available in the morning from 7 am to 9 am and in the evening from 4 pm to 6 pm, at a fixed cost of \$45/week + taxes.

We offer daily daycare services at a fixed cost of \$9/day + taxes, regardless of the period. To use this short-term daycare service, please send an email in advance to: administration@profaqua.ca, to reserve your child's place. The fees will be charged to your credit card when you register. Your child's acceptance will be conditional on the availability of space.

If a child attends the daycare services during business hours without being registered, the fee of \$9/day plus a penalty of \$5/day + taxes will be charged. However, this does not commit us to offer the service until the end of the current week.

The parent, who has not registered their child for the daycare services, is asked to pick them up at 4 pm. After that time, late fees will be charged at all times, i.e., \$5 + taxes for every 5 minutes.

For the benefit of the children, fun activities are organized during daycare hours.

CANCELLATION AND REFUND POLICY

Under the *Consumer Protection Act*:

- If the cancellation is **BEFORE** the start of the camp: you can cancel your contract before the start of the camp. As the services have not yet begun, there are no fees or penalties for cancellation.
- If the cancellation is **DURING** the camp: you can cancel your contract during the day camp. In this case, you will have to pay the cost of the services already received plus a \$50 penalty.

NEQ: 1172786965
QST: 1224758177 TQ0001
GST: 713076727 RT0001

In the event that you decide to cancel your child's registration, we would appreciate it if you could let us know as soon as possible in order to give other children the opportunity to register for the camp. Thank you for your understanding.

How to cancel registration

To cancel your child's registration, you must send an email to administration@profaqua.ca. Registration will be cancelled upon receipt of the cancellation request. We will then refund your credit card within **10 days**.

We reserve the right to cancel the service and refund it if the number of participants is insufficient.

TAX RECEIPTS

Under the *Income Tax Act*, childcare tax receipts will be issued no later than the last day of February in the name of the paying parent provided that their social insurance number has been entered on the registration form. For parents who have shared custody, tax receipts will be issued according to the percentage indicated on your child's registration form. We will send the receipt in the name of the person identified on the credit card.

BEHAVIOURAL PROBLEMS AND DISCIPLINARY MEASURES

If a child does not follow the established rules or if they display behavioural problems that are harmful to the proper functioning of the group, camp or staff, we will take the following disciplinary measures:

1st WARNING: The child is orally notified by the monitor, science specialist or daycare supervisor. We will orally notify the person who picks up the child the same evening.

2nd WARNING: The supervisor meets with the child to explain the attitude to be corrected and reaches an agreement with them. We will orally notify the person who picks up the child the same evening.

Profaqua inc.
266-4000 Saint-Ambroise Street, Montreal, QC, H4C 2C7
NEQ: 1172786965
QST: 1224758177 TQ0001
GST: 713076727 RT0001

3rd WARNING: The coordinator and supervisor will contact the parents to inform them of their child's behavioural problems and then reach a mutual agreement.

4th WARNING: Disciplinary measures will be determined according to the seriousness of the behaviour. The child may be temporarily suspended for a day (outing or regular day) or permanently withdrawn from day camp activities.

NOTE: A serious behavioural issue may lead to immediate disciplinary action without issuing the first three (3) warnings. The general interest will always take precedence over the interest of individuals. The recreation team will address any behavioural problems by applying this vision.

Day camp management reserves the right to withdraw a child permanently, without delay and without refund if the situation so requires.

HEALTH CONDITION

When a child shows one or more symptoms of illness (fever, vomiting, contagious disease, etc.), parents must not bring the child to the camp.

If a child is ill or not feeling well during an activity day, a supervisor will contact the parents so that they can pick them up as soon as possible.

If you find lice on your child, please notify us as soon as possible. We will check for pediculosis at the beginning of each new camp week.

ALLERGIES AND INTOLERANCES

If your child suffers from allergies, you must report it to the person in charge of the day camp. If your child needs an EpiPen auto-injector, make sure they have it with them every morning.

Our allergy policy

Children who need an EpiPen must have their own that they **keep with them at all times**. The camp will notify the group of the allergies in order to inform and raise awareness among other parents and children.

Profaqua inc.
266-4000 Saint-Ambroise Street, Montreal, QC, H4C 2C7
NEQ: 1172786965
QST: 1224758177 TQ0001
GST: 713076727 RT0001

Please note that if your child has forgotten their EpiPen in the morning, they will not be allowed to go to the daycare services or camp in the morning.

In order to counter the risk of allergies, **no food sharing** between children will be permitted.

We apply the same rule as in school: Nuts and peanuts are PROHIBITED.

DRUG ADMINISTRATION

Except for epinephrine or adrenaline and any other medication required for **emergency first aid that** will be administered, if necessary, no medication may be administered to the child without parental authorization. In the case of a medical prescription, the medication must be in its original container and identified with the child's name.

If your child needs to take medication during the day camp hours and on the site, you must complete the **authorization form to distribute or administer a prescribed medication**, downloadable from our website or available in paper format at the coordination office.

Our policy regarding the administration of medication

Children will take their medication with the activity leader and a camp manager. Each dose administered will be recorded and validated.

Children are responsible for storing their medication inside the camp.

IMPORTANT: It is the parent's responsibility to notify the camp of any change or modification in the child's health condition.
